Q66)	Neither of the sisters knows the way to the office.				
Q67)	All our luggage was left unattended by Samuel.				
Q68)	With the exception of the black, all his pens were bought from the school bookshop.				

Q69)	Pete told Jane that he had become more confused after listening to the talk the previous day.
Q70)	Sally's avoidance of the subject made me suspicious.
Q71)	a) Write encouraging notes b) Ensure that their identities were not revealed
Q72)	The author's friends started comparing whose assigned buddy would give the best gift when a few of their secret buddies gave them gifts.
Q73)	The author's secret buddy followed the teacher's instruction by only writing encouraging notes to the author without knowing him and not giving him gifts.
Q74)	Them: the pieces of paper with the author and his friends name written on it It: The act of receiving handmade cards with nice messages The idea: giving a gift to the author like other secret buddies would do
Q75)	1: excited 2: disappointed
Q76)	True: Rachel cam from a poor family and was bullied at school by students who felt they were better than her because their parents had money. True: Rachel walked towards the author crying, apologizing for her embarrassing gift. False: The author told Rachel that he only said mean things about her gift because he wanted to fit in with others and be cool.
Q77)	3 1 2
Q78)	I think the author felt sorry for Rachel. The author said mean things about Rachel's gift just to fit in with his classmates but that only made Rachel feel sad and apologise to the author when she did nothing wrong.
Q79)	Sincere Forgiving
Q80)	They were both trying hard to fit in to be part of the group. The author was trying to fit in just like Rachel to be accepted by the group.
