**2023 PRELIMINARY EXAMINATION**  
**PRIMARY 6**  
**ENGLISH LANGUAGE**  
**PAPER 1 - WRITING**

Name: \_\_\_\_\_ (    )

Class: Primary 6 \_\_\_\_\_ E \_\_\_\_\_

<b>Part 1</b>	<b>Total: 15</b>
<b>Part 2</b>	<b>Total: 40</b>
<b>Parts 1 &amp; 2</b>	<b>Total: 55</b>

Duration: 1 hour 10 minutes

Date: **21 August 2023**

---

**INSTRUCTIONS TO CANDIDATES**

Do not turn over this page until you are told to do so.  
Answer **all** questions.  
Write your answers on the foolscap provided.

---

This question paper consists of **4** printed pages.

Part 1: Situational Writing (15 marks)

Study the pictures carefully.

The pictures below show Amy and her mother at a shoe shop.

Your Task

Imagine you are Amy.

**Write an email to the manager, Mr Muthu, to tell him about the excellent customer service you received at his shoe shop.**

You are to refer to the pictures and information on page 1 for your email.

In your email, include the following key information:

- when and where you received excellent customer service
- the name of the salesperson
- how many pairs of shoes you tried on and how long you took
- what you and your mother liked about the salesperson

You may reorder the points. Remember to write in complete sentences.

(Go on to the next page)

**Part 2: Continuous Writing (40 marks)**

Write a composition of at least 150 words about an **opportunity**.

The pictures are provided to help you think about this topic.

Your composition should be based on one or more of these pictures.

Consider the following points when you plan your composition:

- What was the opportunity?
- How was the opportunity used?

You may use the points in any order and include other relevant points as well.

**INSTRUCTIONS TO CANDIDATES**

1. Do not turn over this page until you are told to do so.
2. Follow all instructions carefully.
3. Answer all questions.
4. Use a 2B pencil to shade your answers on the Optical Answer Sheet (OAS) provided.

---

This booklet consists of **10** printed pages and **2** blank pages.

For each question from 1 to 10, four options are given. One of them is the correct answer. Make your choice (1, 2, 3 or 4) and shade your answer on the Optical Answer Sheet. (10 marks)

- 1 Practically every member of my family \_\_\_\_\_ when they sleep.
- (1) snore
  - (2) snores
  - (3) snored
  - (4) snoring
- 2 The man told the tourist, "I'm afraid there is \_\_\_\_\_ information that can give you about this place. I have not visited the place myself either."
- (1) few
  - (2) little
  - (3) much
  - (4) many
- 3 The judges made \_\_\_\_\_ unanimous decision to give Mark \_\_\_\_\_ honorary award.
- (1) a ... a
  - (2) a ... an
  - (3) an ... a
  - (4) an ... an
- 4 Mary's mother is very strict. She will not be allowed to attend the picnic \_\_\_\_\_ she finishes her homework.
- (1) if
  - (2) while
  - (3) unless
  - (4) because
- 5 Melody's father prefers \_\_\_\_\_ books to watching television in his free time.
- (1) read
  - (2) reading
  - (3) has read
  - (4) having read

6 After completing the marathon, Henry congratulated \_\_\_\_\_ on a job well done.

- (1) itself
- (2) myself
- (3) himself
- (4) themselves

7 The restaurant is only open \_\_\_\_\_ the day.

- (1) at
- (2) from
- (3) during
- (4) between

8 "She's been studying Mandarin for years, \_\_\_\_\_?" asked John.

- (1) is she
- (2) has she
- (3) isn't she
- (4) hasn't she

9 Although the weather forecast has predicted heavy rains, the group of friends \_\_\_\_\_ still going to the park.

- (1) is
- (2) are
- (3) was
- (4) were

10 I \_\_\_\_\_ to reach the internet company all morning but I cannot seem to get through. I will try again later.

- (1) shall try
- (2) am trying
- (3) has been trying
- (4) have been trying

For each question from 11 to 15, four options are given. One of them is the correct answer. Make your choice (1, 2, 3 or 4) and shade your answer on the Optical Answer Sheet.  
(5 marks)

- 11 The birthday planner organized a \_\_\_\_\_ party which matched the status of the affluent family.
- (1) vivacious
  - (2) delectable
  - (3) sumptuous
  - (4) scrumptious
- 12 Despite having lived in Japan for five years, my aunt still encounters difficulty communicating \_\_\_\_\_ with the local.

  - (4) back down
- 15 On National Day, I enjoyed watching the \_\_\_\_\_ display of fireworks from my room window.
- (1) radiant
  - (2) shocking
  - (3) mediocre
  - (4) exemplary

For each question from 16 to 20, choose the word closest in meaning to the underlined word(s). Shade your answer (1, 2, 3 or 4) on the Optical Answer Sheet.

(5 marks)

Tommy was a mischievous boy who loved to play pranks on his friends and family. One day, his aunt, who was easily startled, paid him a visit. That gave him a perfect opportunity to come up with a prank. The plan was going to be foolproof.

(16)

(17)

Crouched in a dark corner of the house, he lay in wait for his aunt to stroll past. As his unsuspecting aunt passed by, Tommy jumped out, shouting at the top of his lungs. Taken aback, his aunt stumbled and fell, letting out a sharp cry. She was then taken to the hospital for treatment.

(18)

Tommy felt an overwhelming sense of guilt and regret. His plan to make his aunt laugh had backfired, causing her harm. Realising the gravity of his actions, he promised to change his ways and never play a prank again. It was a painful lesson learnt.

(19)

(20)

- 16 (1) devise  
(2) construct  
(3) reproduce  
(4) implement
- 17 (1) infallible  
(2) invincible  
(3) incredible  
(4) indescribable
- 18 (1) infuriated  
(2) dismayed  
(3) aggravated  
(4) flabbergasted
- 19 (1) ambition  
(2) intention  
(3) resolution  
(4) proposition
- 20 (1) foolishness  
(2) seriousness  
(3) recklessness  
(4) inappropriateness

Study this flyer and then answer questions 21 to 28.

# Join us at our 1<sup>st</sup> Chess Fair at the Riverville Community Club!

**16 - 19 November 2023**

This fair organised by the Riverville Community Club features various activities that will teach you more about chess!

Take part in a workshop to learn chess techniques or play a game of speed chess with friends. You may even get a chance to participate in a friendly match with a Grand Master!

You do not have to know how to play chess to participate. Visit the fair to begin your learning!

## Thursday 16 November

10 a.m. to 11 a.m. – Beginner Workshop  
11 a.m. to 1.30 p.m. – Friendly match with Grand Master John Woo  
1.30 p.m. to 3 p.m. – Open boards / Free play\*

## Friday 17 November

10 a.m. to 12 p.m. – Intermediate Workshop  
12 p.m. to 1.30 p.m. – Chess matches  
1.30 p.m. to 3 p.m. – Open boards / Free play\*

## Saturday 18 November

10 a.m. to 12 p.m. – Special Workshop by Mr Christian Owen  
12 p.m. to 1.30 p.m. – Chess matches  
1.30 p.m. to 3 p.m. – Open boards / Free play\*

## Sunday 19 November

10 a.m. to 12 p.m. – Advanced Workshop  
12 p.m. to 12.45 p.m. – Open boards / Free play\*  
1.30 p.m. to 2.30 p.m. – Prize Presentation

**\*Open boards / Free play is open to players of all levels.**

All workshops are held at Lecture Theatre 1.

Matches are held in the Main Hall.

Take part in the matches for a chance to win attractive prizes!

Registration for workshops/matches and entry is **free-of-charge** and **open to all**.

# The Wonderful Game of Chess

## History of Chess

Chess is a popular board game relying on strategy and skill to win. Originating in India in the early 7th century, the game spread to Persia before reaching Russia. It evolved into what we know as chess around the 16th century. One of the first masters of the game was a Spanish priest named Ruy Lopez.

As the rules of chess evolved over time so did the approach to it. Many brilliant players throughout history have developed theories and tactics bringing the game to where it is today.

Now, it is enjoyed by people of all ages and from all walks of life. Its popularity has grown to the point where global competitions and tournaments are regularly held. Chess players now make up one of the largest communities in the world: 605 million adults play chess regularly.

## Benefits of Playing Chess

### Exercises both sides of the brain

Studies show that in order to play chess well, a player must develop and utilise his brain's left hemisphere which deals with object recognition. It also develops the right hemisphere which deals with pattern recognition. Over time, playing chess exercises and develops not one but both sides of your brain.

### Improves children's thinking and problem-solving skills

Chess enhances brain development, especially in children between 7 and 9. Research shows that playing chess improves a child's thinking, problem-solving, reading, and Maths scores. Educators and chess experts generally agree the age of 7 is the ideal time to introduce children to chess, although some as young as four or five may be ready to learn and play the game.

### Helps with rehabilitation and therapy

Chess can be used to help rehabilitate patients recovering from a stroke or an accident. It can also be used as a form of therapy for those with brain injuries. Moving chess pieces across the board can help develop and fine-tune a patient's motor skills. Moreover, playing chess brings about a sense of deep concentration and calm which can help to relax patients who are experiencing various degrees of anxiety.

For each question from 21 to 28, four options are given. One of them is the correct answer. Make your choice (1, 2, 3 or 4) and shade your answer on the Optical Answer Sheet. (8 marks)

- 21 Why is an exclamation mark (!) used in the heading: "Join us at our 1<sup>st</sup> Chess Fair at Riverville Community Club!"?
- (1) to show enthusiasm for the fair
  - (2) to emphasise the venue of the fair
  - (3) to highlight the importance of the fair
  - (4) to stress that the club is organising the fair
- 22 Wei Xiong wants to attend the Advanced Workshop as well as play a friendly match with a Grand Master. He should be at the fair on \_\_\_\_\_.
- (1) 16 Nov at 10 a.m. and 17 Nov at 10 a.m.
  - (2) 16 Nov at 11 a.m. and 18 Nov at 12 p.m.
  - (3) 16 Nov at 11 a.m. and 19 Nov at 10 a.m.
  - (4) 16 Nov at 1.30 p.m. and 19 Nov at 10 a.m.
- 23 Linda does not know how to play chess at all. Which of the following activities would suit her the most?
- (1) Beginner Workshop and Free play
  - (2) Intermediate Workshop and Open boards
  - (3) Advanced Workshop and Chess matches
  - (4) Special Workshop and Friendly match with a Grand Master
- 24 Which of the following statements is true about the Chess Fair?
- (1) All visitors have to pay a small entrance fee.
  - (2) Workshops will be conducted in the Main Hall.
  - (3) There is no age restriction for the chess matches.
  - (4) It will start and end at the same time for the 4 days.
- 25 Which of the following shows that chess has become a popular game?
- (1) Many brilliant players enjoy playing the game.
  - (2) It requires many different strategies and skills.
  - (3) The rules of the game have evolved over the years.
  - (4) There are many chess competitions held worldwide.

26 What is the most important benefit of playing chess for 7- to 9-year-olds?

- (1) It helps to boost their brain development.
- (2) It enhances their object recognition skills.
- (3) It helps with the rehabilitation and therapy.
- (4) It improves their test scores in all subjects.

27 According to the flyer, patients recovering from an accident play chess to \_\_\_\_\_.

- (1) heighten their senses
- (2) improve their motor skills
- (3) enhance their reading ability
- (4) develop their pattern recognition skill

28 The main purpose of the flyer is to \_\_\_\_\_.

- (1) introduce people to the history of chess
- (2) educate people on the many benefits of chess
- (3) encourage people to participate in the chess fair
- (4) get people to play with their friends during the chess fair

Please note that the passage for Comprehension questions 71 to 80 in Booklet B is on page 10. You may now go on to Booklet B.

**BLANK PAGE**

Refer to the passage below when you answer questions 71 to 80 in Booklet B.

It was a freezing night. The **weary** couple trudged through the snow against the bitter winds, seeking shelter. The **anxious** father-to-be scanned the roadside for a home, an inn or a stable. He looked over at his struggling companion frequently. She laboured along without complaint, her way made heavier by the new life growing inside her. They needed a warm, dry place for the night, safe from the elements. When the time for her delivery came, it must not be out here along the road. The couple was a pair of dogs, on a rural highway.

Gus, a wildlife officer, was driving home from work when he spotted the dogs. The snowstorm made it difficult to see, but Gus's keen eyes detected the reflection of their collar tags in the flash of his headlights. What were they doing out on this stretch of road in this harsh weather? Gus parked his truck and approached the animals. He squatted and stretched out his hands to the dogs, which made no effort to escape. He read their tags by his truck's headlights: The female was named Pepper, and the male was Cooper. He pulled out his phone to call the number listed on **them**, but it was snowing so **hard** that his screen blurred. He would have to make the call from his truck.

He placed the dogs in his truck, below the passenger seat. By the time he came around to the driver's side, they had climbed onto the fabric seat where it was warm. Gus dried his phone, snapped a picture of the pair snuggling, and sent it to his wife, Katie.

Then he called the number again. A man who identified himself as Marc answered and immediately grew defensive when Gus told him why he was calling.

"Those dogs aren't mine anymore. I've given them away," Marc replied in an irritated tone.

"Well, who did you give them to?" Gus asked hopefully.

"I don't know," came the curt reply.

"Well, do you want them back?" Gus probed.

"No. I can't take care of them." With that, Marc hung up abruptly.

Thus, these dogs were abandoned, left with no place to call home. The dogs, known for their intelligence, gazed at Gus with pleading eyes. Gus called an animal shelter, but it was too late in the night. So, he left a message. Then he called Katie. "You cannot put them back out in the snowstorm," she said. "Bring them home."

Katie prepared a bed for the dogs in the study room. Soft blankets were arranged with care, providing a **haven of comfort** against the chilly night air. Katie, then lovingly placed bowls of food and water where the exhausted animals lay together. Every now and then, Cooper lifted his head to check on Pepper. **This scene** stirred within Katie a desire to adopt them.

When she told Gus about it, he shook his head. Keeping this pair was out of the question — they already had a family dog. The next day, he called the animal shelter again. Katie took the dogs to the shelter to drop them off on **one condition**. "I'm not signing the dogs over to you if you're going to separate them," she said. The staff promised her that the couple would stay together.

In the days following, Katie **phoned the shelter repeatedly**. Soon after Christmas, the dogs were adopted by a loving family, much to the relief of Gus and Katie. **The dogs had experienced a miracle in which kindness triumphed over cruelty.**

Dreams remain a mystery that sleep experts are determined to solve. Different cultures have developed \_\_\_\_\_ own ways of understanding what our dreams mean. \_\_\_\_\_ psychology, the process of assigning meaning to dreams is referred to as dream interpretation. It is seen as a helpful way to learn about \_\_\_\_\_ our minds work. Dreams are thought to show our deepest wants, fears, and worries. By looking at our dreams, we can learn about our hidden thoughts and feelings.

There are many ways to interpret dreams. \_\_\_\_\_ are traditional, like looking at the symbols in the dream, while others are \_\_\_\_\_ modern, like keeping a dream journal or trying to control your dreams. Some people think that dreams are \_\_\_\_\_ way for our unconscious mind which contains feelings and thoughts we are unaware of, to talk to us and show us \_\_\_\_\_ we really are.

Even though lots of people are interested in interpreting dreams, there is \_\_\_\_\_ a debate about whether it is a scientifically valid practice. Some studies have shown that certain symbols in dreams \_\_\_\_\_ be connected to specific feelings or experiences, \_\_\_\_\_ others have not found any proof that dreams have a definite meaning.

No matter what the outcome of the debate is, it is fun to explore the meanings of dreams.

Gaming addiction affects people of all ages, particularly young people. Symptoms of gaming addiction include obsessive thinking about the game, \_\_\_\_\_ of interest in other activities, poor concentration and work performance, strained relationships, social isolation, and decline in physical health and hygiene. \_\_\_\_\_ to scientific research, addiction is brought about by psychological, social, and environmental factors.

One major cause of any kind of addiction \_\_\_\_\_ a brain chemical called dopamine, also \_\_\_\_\_ as the 'feel-good' hormone. It is released in response \_\_\_\_\_ a pleasurable experience. It also makes a person develop a strong \_\_\_\_\_ to seek out that same pleasure again and again. When gamers \_\_\_\_\_ a goal or a new level, dopamine is released, motivating them to keep \_\_\_\_\_ Eventually, they get stuck in a cycle in which they are increasingly engrossed in gaming while \_\_\_\_\_ other important tasks.

\_\_\_\_\_ factor that contributes to gaming addiction is socialization. Many online games allow players to interact with one another. This develops a \_\_\_\_\_ of belonging to their online communities. However, in extreme cases, shy and introverted individuals may \_\_\_\_\_ to gaming as their main source of social life, resulting in addiction.

The home environment is a key factor in gaming addiction too. Children and teens who have \_\_\_\_\_ access to gaming devices and little supervision from their parents are more \_\_\_\_\_ to form an addiction.

Gaming addiction is no laughing \_\_\_\_\_. By understanding its contributing factors, we may prevent its formation among our friends and loved ones.
